Over the last 7 years, individuals like you have raised more than \$260,000 to support programs and services for special and challenged needs children. Please join us on the green to continue to raise funds to these kids, whose families need this essential financial assistance.

Join us for a morning of golf in a beautiful setting with food, fun, prizes and 50 holes of great golf. Breakfast will begin at 7:00 am and we will tee it up at 7:30 in an individual stroke-play format, with an attempt to play 50 holes by noon.

“This is a great opportunity to help some special kids through healthcare services provided by KCC and have a fun morning of golf at the same time.” JS, 2004

For more information call Jean Elizabeth at 502-893-7227. The field will be limited to the first 50 players registered. A confirmation letter and player packet will follow after receipt of registration. We are challenging each golfer to raise \$1000 (we’ll show you how) and to commit to trying to play 50 holes of golf in one morning.

Kentuckiana Children’s Center is a 501c3 not for profit children’s clinic Our Vision is BIG: Healing all Children... Hope for the Whole Child

Dr. Lorraine M. Golden, DC, founded Kentuckiana Children’s Center in 1957. She envisioned a place where special needs children could receive vital health care services and receive financial assistance because of the increasing costs of health care.

The mission of Kentuckiana Children’s Center is to improve the lives of children by providing a foundation for healing through Integrative Chiropractic Care, including Occupational Therapy, CranioSacral Therapy, Behavior Therapy, Play Therapy, Sensory Processing Therapy and Nutrition Education and Counseling.

“There are lives I can imagine without children, but none of them have the same laughter and noise”.
